Influences youth and their families nationwide

Our Mission

COLAGE is a national movement of children, youth, and adults with one or more lesbian, gay, bisexual, transgender, and/or queer (LGBTQ) parents. We build community and work toward social justice through youth empowerment, leadership development, education, and advocacy.

Our Work

COLAGE at Family Week

The COLAGE program during Family Week provides an integrated youth empowerment program for youth in 3rd-12th grades who have LGBTQ parents, and is facilitated by adult volunteers who themselves have one or more LGBTQ parents.

The COLAGE daily program includes recreational activities, peer workshops, creative expression activities, leadership development and youth empowerment for more than 250 youth ages 8-18 as well as 32 adult volunteers.

Family Week allows participants to gain confidence and pride, make new friends, express themselves creatively, build activist skills, and have a lot of fun.
